The Crofters Weaving Mill is artisan weaving at its finest!

We can design a tartan for you, and weave that design into cloth, rugs, scarves or ties.

The Australian Heavy Horse Tartan was designed by Fred Lawson and registered in Scotland on 21st January 2010. It was first displayed and presented at Muswellbrook NSW on the 8th August 2009. It was next displayed and presented at the 2011 Mundulla Show and continues as our Trophy for the Champion Led Heavy Horse.
